Christopher E. Strunk  
593 Vanderbilt Avenue, #281  
Brooklyn, NY 11238

Dear Mr. Strunk:

The following is in response to your request to the Department of State, dated November 22, 2008, requesting the release of material under the provisions of the Freedom of Information Act (5 U.S.C. § 552).

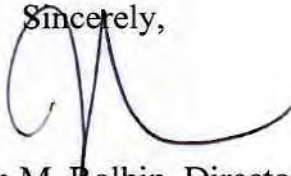

We have completed a search for records responsive to your request. The search resulted in the retrieval of six documents that are responsive to your request. After careful review of these documents, we have determined that all six documents may be released in full.

We did not locate a 1965 passport application referenced in an application for amendment of passport that is included in the released documents. Many passport applications and other non-vital records from that period were destroyed during the 1980s in accordance with guidance from the General Services Administration.

Passport records typically consist of applications for United States passports and supporting evidence of United States citizenship. Passport records do not include evidence of travel such as entrance/exit stamps, visas, residence permits, etc., since this information is entered into the passport book after issuance.

This completes the processing of your request.

Sincerely,

A handwritten signature in dark ink, appearing to be 'J. Rolbin', written over the word 'Sincerely,'.

Office of Legal Affairs and Law Enforcement Liaison
